

Does your teenager have a business idea? Come to the 2012 Arkansas Home School Convention in Searcy, and let them show their business!

at the Teen Entrepreneur Aisle!

New This Year!

The Education Alliance is sponsoring a Teen Entrepreneur Aisle at our convention. For just \$25, your young entrepreneur can purchase half a booth in our Exhibit Hall to display their product or service. We will include 4' of table space for setting up displays. Whether your child is launching a new business or expanding an existing one, this is something he or she will want to be a part of.

Learn New Business Skills...

The Convention's Featured speaker, Jonathan Lewis, will be teaching a special workshop for the participating teen entrepreneurs prior to the Exhibit Hall's opening. This workshop will teach the struggles and triumphs of owning your own business, money management, and business skills. This workshop will be very beneficial to your teen as they grow their business.
